Sir,

Subject: Levy of revised scale of fees for pathological examinations.

I have the honour to bring to your notice that in the Government Order No. G. 3384-9/Med. 86-39-2 dated 4th October 1939 fixing the revised scale of fees for pathological examination in the Victoria and Krishnarajendra Hospitals and Public Health Institute, item No. 10 is worded as "preparation of anti-vaccine". It should read as "preparation of auto-vaccine".

To

Secretary to the Government of His Highness
the Maharaja of Mysore,
Development Department, Bangalore.

Sir,

Adverting to Government Order No.C.3384-9/Med.86-39-2 dated 4th October, 1939, prescribing revised scale of fees for pathological examinations, I have the honour to state that no fee is indicated for item No.9 - Estimation of blood sugar (a) single ~~quotation~~ Estimation - while for (b) complete estimation a fee of Rs.10/- has been prescribed. It is not known whether the error is in typing. A fee of Rs.3/- had been proposed by me for this examination as that rate was reasonable, in view of the fact that sometimes repeated tests have to be made for an individual. To charge Rs.10/- for single estimation as well as for complete estimation (as the present Government Order indicates) will work as a hardship. I therefore request for early orders as to the fee chargeable for single estimation. Pending orders, I have instructed the Pathologist to charge Rs.3/- for this examination.

I have the honour to be,
Sir,
Your most obedient servant,

J F Robinson
